When hiring a vehicle, the hiring company (Majestic) need to see details of any restrictions or penalties to ensure that you can be insured to drive.

You need to create a licence check code to share your driving record with someone else, eg Majestic Self Drive Van Hire Bolton.

The check code allows Majestic to see what vehicles you can drive, any penalty points or disqualifications, your name and the last 8 characters of your driving licence number.

What details you'll need

- your driving licence number.
- your [National Insurance number](https://www.gov.uk/lost-national-insurance-number) [<https://www.gov.uk/lost-national-insurance-number>]
- the postcode on your driving licence.

Your check code lasts for 21 days (3 weeks). Please visit this link:

<https://www.gov.uk/view-driving-licence>

Press START NOW and use your details and agree to the terms.
This will log you in to the DVLA's site and obtain a "check code".
Click on the 'Share your licence information' tab.
Then click Get a Code.

A case sensitive code is generated, carefully make a note of this number, an example is shown below.

Get a licence check code

Your check code is:

qL6MCx3y

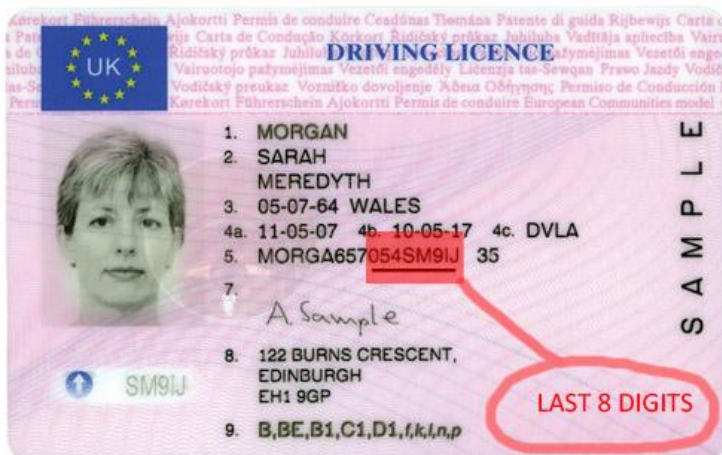

This code:

- is case sensitive
- is only valid for 72 hours
- can only be used once

[View, print or save your licence information](#)

This code is valid for 21 days (3 weeks) only.

If your hire is more than three weeks away another checkcode will have to be obtained.
Pass this checkcode on to Majestic along with the last 8 digits of the long 16 digit number.
You don't need to give them your National Insurance number.

This will allow the team at Majestic to see the details of your licence and paper licence, including any penalty or restriction details.

If you don't email or phone this checkcode through to us, then ensure that you bring this checkcode with you on the day of hire.

Please remember you still need to bring your driving licence and separate ID on the day of the hire.

If you have any problems accessing the internet to generate a Share Driving Licence code online, you can call the DVLA on 0300 083 0013 to obtain a code over the phone.

This phone number is available Monday to Friday from 8am to 7pm and on Saturday from 8am to 2pm. Calls to this number cost no more than a national rate call to a 01 or 02 number. You will still require your driving licence, NI number and address details.

Drivers who can't find their National Insurance number on a payslip, P60 or tax return can telephone the National Insurance numbers helpline on 0300 200 3500 for assistance.

You will need to answer some questions to be provided with your National Insurance number by post.

PLEASE REPLY TO THIS EMAIL TO INFORM US THAT YOU HAVE UNDERSTOOD AND HAVE OBTAINED YOUR CHECKCODE. PLEASE EMAIL YOUR CODE WITH THE LAST 8 DIGITS OF YOUR DRIVING LICENCE NUMBER. WITHOUT THE CHECKCODE WE ARE UNABLE TO PROVIDE A VEHICLE FOR YOU.

Thank you.
