### MAJESTIC SELF DRIVE – M.O.T and Servicing

Majestic Service Station offer M.O.T testing, servicing, repairs and vehicle diagnostics on cars, vans to 3500kgs and camper vans to 5000kgs.

If your vehicle is more than 3 years old, it must be tested annually by an authorised MOT test station, to ensure it complies with the law.

Majestic is a member of The Retail Motor Industry Federation, and has been a fully licensed and authorised M.O.T inspection garage for over 40 years. Our mechanics are trained to the highest levels and our fully equipped modern M.O.T bay passes annual Vehicle Inspectorate tests with ease. The M.O.T bay is equipped to test Class 4 and 7 vehicles, petrol and diesel, so whatever your transport - contact us now, telephone 01204 62335.

M.O.T with Majestic and you can be safe in the knowledge that you will get the best service and your vehicle will be fully tested according to the guidelines set out by The Department of Transport and the Vehicle and Operator Services Agency (VOSA).

Majestic's MOT technicians are quality assessed annually by The Retail Motor Industry Federation. If extra work is required, our service centre is available to cater for all your requirements. Of course there is no obligation to have any extra work completed by Majestic, but if you do you'll get the same level of service and quality workmanship that so many of our satisfied customers have already experienced.

Join our many satisfied customers, book your M.O.T test or next service with Majestic today, telephone 01204 62335, and we're certain you'll never need another garage again. Payments may be made by most major credit and debit cards.
